Our Electronic Funds Transfer Terms disclosure explains your and our rights and responsibilities concerning electronic fund transfer (EFT) debits from and credits to the accounts you have with us. EFTs are electronically initiated transfers of money involving an account with us and multiple access options, including Online Banking, direct deposits, automated teller machines (ATMs), Visa Debit Card (Card), and Telephone Banking services.

- Transfer funds between the checking and savings accounts.
- Make payments on your loan accounts with us from the checking or savings accounts.

b. Direct Deposit
On the instruction of (i) your employer, (ii) the Treasury Department, or (iii) other financial institutions, we will accept direct deposits by EFT of your paycheck or of federal recurring payments, such as Social Security.

c. Preauthorized Debits
You may make direct withdrawals by EFT from the checking or regular savings account you have with us to a particular person or company, at least periodically, which you have arranged with that person or company, provided you have enough funds in the account with us to cover the payment.

d. Telephone Banking
If we approve your application for telephone access to the accounts you have with us under Telephone Banking, you may use a telephone to access the account with us and conduct EFTs by calling 201-599-5500 or toll-free at 888-554-2328. You must use your PIN along with your account number to access the account.

At the present time you may use Telephone Banking to:

- Withdraw cash from the checking or savings account with us.
- Obtain balance information on the checking and savings accounts with us.
- Transfer funds between the same accounts.
- Obtain transaction information about the ten (10) most recent deposits/withdrawals to/from the checking accounts.
- Make loan payments from the savings or checking account.

e. Online Banking
If we approve your application for Online Banking, you may use a personal computer to access the accounts. For this service, you will need a personal computer with internet access. The address for Online Banking services is www.greateralliance.org. You may select a password. You must use your password along with your account number to access the accounts. You are responsible for the installation, maintenance, and operation of your computer and software. We will not be responsible for any errors or failures involving any telephone service, internet service provider, your software installation or your computer. At the present time, you may use the Online Banking service to:

- Transfer funds between the checking, savings, and loan accounts with us.
- Obtain account information related to the checking, savings, or loan account regarding current balance, history, interest, rates, payroll and automatic deductions.
- Make loan payments from any checking or savings account to a loan account with us.
- Make payments to merchants (payees) using bill payment.
- Initiate funds transfers to another person or another account using our Customer Assumed Risk service (subject to separate agreement).

- Access Secure Chat and Desktop Sharing and Purchase Rewards.
- Access our Personal Financial Management Tool.
- Open additional accounts and apply for consumer and home equity loans.

Transactions involving the accounts you have with us are addressed by the MSA, whereas transactions involving a loan are addressed by the applicable loan agreement(s).

f. Bill Pay
You may use the Bill Pay service (accessed through Online Banking or Mobile Banking) to make payments to third parties. Use of the Bill Pay service requires enrollment in Online Banking and agreement to the Bill Pay service terms and conditions. You may use the Bill Pay service to:

- Pay bills and merchants from any checking account with us.

g. Mobile Banking
Mobile Banking is a personal financial information management service that allows you to access account information. You agree and understand that the Mobile Banking Service may not be accessible or may have limited utility over some mobile telephone networks, such as while roaming. At the present time, you may use Mobile Banking to:

- Transfer funds between the checking, savings, and loan accounts with us.
- Obtain account information related to the checking, savings, or loan account regarding current balance, history, interest, rates, payroll and automatic deductions.
- Make loan payments from any checking or savings account to a loan account with us.
- Make payments to merchants (payees) using bill payment.
- Access our Personal Financial Management Tool.
- Open additional accounts and apply for consumer and home equity loans.

When you register for Mobile Banking, the designated accounts linked to the account through Online Banking will be accessible through Mobile Banking.

For all mobile check deposits, you must endorse the original paper check without such required endorsement.
h. Visa Debit Card
You may use your Visa Debit Card to purchase goods and services anywhere Visa is honored by participating merchants and acceptors. Funds to cover your Card purchases will be deducted from the checking account. If the balance in the account is not sufficient to pay the transaction amount, we may treat the transaction as an overdraft request pursuant to any overdraft protection plan, or we may terminate all services under the MSA.

Some merchants may permit you to initiate debit and bill payment transactions with your card using either the Visa network or another network shown on your card, such as THE EXCHANGE, STAR, BC Card, or Allpoint networks. We will honor your debit transactions processed by any of these networks.

Depending on our authorization protocols and network availability, transactions processed over other networks may or may not require you to use your PIN to validate a transaction. Generally, you enter your card number or swipe your card and provide or enter a PIN. You may instead be asked to sign a receipt or payment authorization.

Provisions applicable only to Visa transactions (such as Visa’s zero liability protections) will not apply to non-Visa debit transactions and the liability rules for other EFTs in the section titled “Member Liability” will apply.

i. Electronic Check Transaction
You may authorize a merchant or other payee to make a one-time electronic payment from the checking account using information from your check to pay for purchases, pay bills or pay other obligations ("Electronic Check Transactions"). You agree that your authorization for an electronic check transaction occurs when you initiate such a transaction after receiving any required notice regarding the merchant’s right to process the transaction or payment, including any written sign provided by the merchant at the time of your transaction. All terms governing electronic funds transfer services will apply to Electronic Check Transactions, except the $50 and $500 limits of liability for unauthorized transactions in Section 4 (Member Liability) of this disclosure. You remain responsible for notifying us of any unauthorized electronic check transaction shown on your statement.

2. Service Limitations
a. Automated Teller Machines
i. Withdrawals. Cash withdrawals from ATMs can be made as often as you like. You may withdraw up to $500 (if there are sufficient funds in the account) per business day. For purposes of determining whether you have reached the daily limit, a day ends at midnight. Friday, Saturday, Sunday, and holidays are considered as one business day for the purposes of this limit.

b. Telephone Banking
The accounts with us can be accessed under Telephone Banking via a touchtone telephone only. Not all push button phones are touchtone. Converters may be purchased for pulse and rotary dial phones. Telephone Banking will be available for your convenience seven (7) days a week. This service may be interrupted for a short time each day for data processing. If you call during this time, you will hear a message directing you to call back. While there is no limit to the number of inquiries, transfers or withdrawal requests you may make in any one day, transfers from all accounts except checking accounts will be limited to six (6) in any one month. No transfer or withdrawal may exceed the funds available in an account with us. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance or otherwise require us to increase our required reserve on the account.

c. Online Banking
i. Transfers. You may make funds transfers to the accounts with us, or other accounts you authorize, as often as you like. However, transfers from all accounts except checking accounts will be limited to a total of six (6) in any one month. Bill payer transactions are unlimited. Transfers using the Customer Assumed Risk service may not exceed $500 per transfer or $3000 per month. You may transfer or withdraw up to the available balance in the account or available credit line at the time of the transfer, except as limited under other agreements. We reserve the right to refuse any transaction that would draw upon insufficient or unavailable funds, lower an account below a required balance or otherwise require us to increase our required reserve on the account.

ii. Account Information. Account balance and transaction history information may be limited to recent account information. The availability of funds for transfer or withdrawal may be limited, due to the processing time for ATM transactions and our Funds Availability of Deposits disclosure.

iii. E-Mail and Stop Payment Requests. We may not immediately receive e-mail communications that you send and we will not take action based on e-mail requests until we actually receive your message and have a reasonable opportunity to act. Any stop payment request you transmit electronically is deemed to be a verbal request and will expire in fourteen (14) days unless confirmed in writing as addressed in the MSA. Contact us immediately regarding an unauthorized transaction or stop payment request.

d. Bill Pay A2A and P2P Transactions
For A2A and P2P transfers, limits will be set at the time you use the service and will be disclosed to you prior to your use of the service.

e. Mobile Banking
You are fully responsible for understanding how to use Mobile Banking before you actually do so, and you must use Mobile Banking in accordance with and operational instructions posted on our web site. You are also responsible for your use of your Wireless Device and the Mobile Banking service software provided to you. If you authorize the use of Touch ID for Mobile Banking, the Mobile Banking service may be accessed using any fingerprint recognized by your Wireless Device, even if it is not your own. If you have permitted another person to use their fingerprints to authorize activity on your Wireless Device, their fingerprint will also gain access to Mobile Banking if you have authorized Touch ID. We will not be liable to you for any losses caused by your failure to properly use Mobile Banking, the Software or your Wireless Device. You may experience technical or other difficulties related to Mobile Banking that may result in loss of data, personalization settings or other Mobile Banking interruptions. We assume no responsibility for the timeliness, deletion, misdelivery or failure to store any user data, communications or personalization settings in connection with your use of Mobile Banking. We assume no responsibility for the operation, security, or functionality of any Wireless Device or mobile network that you utilize to access Mobile Banking. Financial information shown on Mobile Banking reflects the most recent account information available through Mobile Banking, and may not be current. You agree that we are not liable for delays in updating account information accessed through Mobile Banking. We are not responsible for any actions you take based on information accessed through the Mobile Banking app that is not current. If you need the most current account information, you agree to contact us directly.

f. Visa Debit Card
There is no limit on the number of Visa Debit Card purchase transactions you may make during a statement period. Visa purchases are limited to the balance available in an account. In addition, you may not make more than $2,500 in purchases in one day. We reserve the right to refuse any transaction that would
draw upon insufficient funds or require us to increase our required reserve on the account. We may set other limits on the amount of any transaction, and you will be notified of those limits. You are solely responsible for any disputes you may have with merchandise or services received using the Visa Debit Card. We are not responsible for any damages, liability or settlement resolution as a result of the misrepresentation of quality, price, or warranty of goods or services by a merchant.

The use of a Card and Account with us are subject to the following conditions:

i. Ownership of Cards. Any Card or other device that we supply to you is our property and must be immediately returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the Card, according to instructions. The Card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer the Card or Account to another person.

ii. Honoring the Card. Neither we nor merchants authorized to honor the Card will be responsible for the failure or refusal to honor the Card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to the account with us in lieu of a cash refund. You may not use the Card for any illegal or unlawful transaction. We may refuse to authorize any transaction that we believe may be illegal or unlawful.

iii. Visa Account Updater Service. The account you have with us is automatically enrolled in the Visa Account Updater Service (VAU). The service is provided as a benefit in order to facilitate uninterrupted processing of recurring charges you have authorized. Under the VAU service, if you have authorized a participating merchant to bill your Card for recurring payments, your new Card number and expiration date will automatically be sent to that merchant if we change your Card number (i.e. when replacing a lost or stolen Card). Card numbers are only supplied to merchants who participate in the VAU service. Because not all merchants participate in the VAU service, you should still notify each merchant when your Card number changes in order to permit recurring payments to continue to be charged to the account.

iv. Currency Conversion; International Transaction Fee. Purchases and withdrawals made in foreign countries will be billed to you in U.S. dollars. The currency conversion rate for international transactions, as established by Visa International, Inc., is a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. In addition, you will be charged an International Transaction Fee of 1% of the transaction amount for any card transaction made in a foreign country.

3. Security of Personal Identification Number

The Personal Identification Number (PIN) is established for your security purposes. The PIN is confidential and should not be disclosed to third parties or recorded. You are responsible for safekeeping your PIN. You agree not to disclose or otherwise make your PIN available to anyone not authorized to sign on the accounts with us. If you authorize anyone to have or use your PIN, that authority will continue until you specifically revoke such authority by notifying us. You understand that person may use Online Banking, online services or debit card to review all of your account information and make account transactions. Therefore, we are entitled to act on transaction instructions received using your PIN and you agree that the use of your PIN will have the same effect as your signature in authorizing transactions.

If you authorize anyone to use your PIN in any manner, that authority will be considered unlimited in amount and manner until you specifically revoke such authority by notifying us and changing your PIN immediately. You are responsible for any transactions made by such persons until you notify us that transactions and access by that person are no longer authorized and your PIN is changed. If you fail to maintain or change the security of these PINs and we suffer a loss, we may terminate your electronic fund transfer and account services immediately.

4. Member Liability

You are responsible for all transfers you authorize using your EFT services as explained in this disclosure, which is part of the MSA. If you permit other persons to use an EFT service, Card or PIN, you are responsible for any transactions they authorize or conduct on any of the accounts you have with us. However, tell us at once if you believe anyone has used the account, Card or PIN and accessed the accounts with us without your authority, or if you believe an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. For Visa Debit Card purchase transactions, if you notify us of your lost or stolen card, you will not be liable for any losses, provided you were not negligent or fraudulent in handling the Card and you provide us with a written statement regarding your unauthorized Card claim, otherwise the following liability limits will apply. For all other EFT transactions except Electronic Check Transactions, if you tell us within two (2) business days, you can lose no more than $50 if someone accessed the account with us without your permission. If you do not tell us within two (2) business days after you learn of the unauthorized use of the account or EFT service, and we can prove that we could have stopped someone from accessing the account without your permission if you had told us, you could lose as much as $500. In no event will you be liable for more than $50 for unauthorized withdrawals from a line of credit account.

Also, if your statement shows EFTs that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed or accessible to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods. If you believe that someone has used the Card or PIN without your permission or you have lost your Card, call: toll-free at 800-472-3272, or write: Greater Alliance Federal Credit Union, 40 West Century Road, Paramus, NJ 07652.

5. Business Days

Our business days are Monday through Friday. Holidays are not included.

6. Charges for EFT Services

There are certain charges for EFT services, as described on the Our Rates & Service Charges disclosure. We reserve the right to impose service charges at a future date after we give you notice of such changes as required by law. If you request a transfer or check withdrawal from your personal line of credit account, such transactions may be subject to charges under the terms and conditions of your loan agreement. If you use an ATM that is not operated by us, you may be charged an ATM surcharge by the ATM operator or an ATM network utilized for such a transaction. The ATM surcharge will be debited from the account with us if you elect to complete the transaction.

7. Right to Receive Documentation
   a. Periodic Statements
      All EFT transactions will be recorded on your periodic statement.
      You will receive a statement at least once every quarter. If you
      have an EFT transaction, you will receive a statement monthly.
   b. Preauthorized Credits
      If you have a direct deposit made to the account at least once
      every sixty (60) days from the same source and you do not re-
      ceive a receipt (such as a pay stub), you can use Telephone
      Banking or Online Banking or you can call us at 201-599-5500 or
      toll-free at 888-554-2328 to find out whether or not the deposit
      has been made.
   c. Terminal Receipt
      You may get a receipt at the time you make any transaction
      of more than $15 using an ATM, POS terminal or Visa Debit Card.

8. Account Information Disclosure
   We will maintain the confidentiality and privacy of your information
   in accordance with our Privacy Notice. We will disclose infor-
   mation to third parties about the account or the transfers you
   make in the following circumstances:
      • As necessary to complete transfers.
      • To verify the existence of sufficient funds to cover specific
        transactions upon the request of a third party, such as a credit
        bureau or merchant.
      • To comply with government agency or court orders.
      • If you give us your written permission.

9. Our Liability for Failure to Make Transactions
   If we do not complete a transfer to or from an account with us on
   time or in the correct amount according to the MSA, we will be lia-
   ble for your actual transaction loss or damage. Our sole responsi-
   bility for an error in a transfer will be to correct the error. You
   agree that neither we nor the service providers are responsible for
   any loss, property damage, or bodily injury, whether caused by
   the equipment, software, Credit Union, or by Internet browser
   providers such as Microsoft (Microsoft Internet Explorer), Apple
   (Safari), Mozilla (Firefox), Google (Chrome) or by Internet access
   providers or by online service providers or by an agent or subcon-
   tractor for any of the foregoing. Nor will we or the service provid-
   ers be responsible for any direct, indirect, special, or consequen-
   tial economic or other damages arising in any way out of the
   installation, download, use, or maintenance of the equipment,
   software, online access services, or Internet browser or access
   software. In this regard, although we have taken measures to pro-
   vide security for communications from you to us via Online Banking
   and may have referred to such communication as “secured,” we
   cannot and do not provide any warranty or guarantee of such secu-
   rity. In states that do not allow the exclusion or limitation of such
   damages, our liability is limited to the extent permitted by applicable
   law. We will not be liable for the following:
      • If, through no fault of ours, you do not have adequate funds in
        an account to complete a transaction, the account is closed or
        the transaction amount would exceed your credit limit on your
        line of credit.
      • If you used the wrong identification code or you have not
        properly followed any applicable computer, Internet or Credit
        Union instructions for making transfers.
      • If your computer fails or malfunctions or if our Online Banking
        system was not properly working and such a problem should
        have been apparent when you attempted such a transaction.
      • If the ATM where you are making the transfer does not oper-
        ate properly, does not have enough cash or you use a Card
        improperly.
      • If circumstances beyond our control (such as fire, flood, tele-
        communication outages, postal strikes, equipment, or power
        failure) prevent the transaction.
      • If the account with us is frozen because of a delinquent loan or
        is subject to a legal process or other claim.
      • If the error was caused by a system beyond our control such as
        your Internet Service Provider, any computer virus, or problems
        related to software not provided by us.
      • If you have not given us complete, correct, and current instruc-
        tions so we can make a transfer.
      • If the error was caused by any applicable ATM or payment
        system network. The ATM machine may retain a Card in cer-
        tain instances, in which event you may contact us about its
        replacement.

We may establish other exceptions in addition to those listed
above.

10. Termination of EFT Services
   You agree that we may terminate your use of any EFT services if
   you, or any authorized user of an account or PIN, breach any term
   of the MSA, or if we have reason to believe that there has been an
   unauthorized use of a Card, account or identification code.
   You or any other party to the account can terminate your use of
   any EFT services by notifying us in writing. Termination of service
   will be effective the first business day following receipt of your
   written notice. However, termination of EFT services will not affect
   the rights and responsibilities of the parties under the MSA for
   transactions initiated before termination.

11. Preauthorized Electronic Fund Transfers
   a. Stop Payment Rights
      If you have arranged in advance to allow a third party to make
      regular EFTs from the account(s) with us for money you owe them,
      you may stop payment of these preauthorized transfers from the
      account. You must notify us verbally or in writing at any time up to
      three (3) business days before the scheduled date of a preautho-
      rized transfer. We may require written confirmation of the stop pay-
      ment order to be made within fourteen (14) days of any verbal noti-
      fication. If we do receive the written confirmation, the verbal stop
      payment order will cease to be binding fourteen (14) days after it
      has been made.
   b. Notice of Varying Amounts
      If regular payments may vary in amount, the person you are going
to pay is required to tell you ten (10) days before each payment
when it will be made and how much it will be. You may choose
instead to get this notice only when the payment would differ by
more than a certain amount from the previous payment or when
the account would fall outside certain limits that you set.
   c. Liability for Failures on Preauthorized Transfers
      If you order us to stop one of these payments three (3) business
days or more before the transfer is scheduled, and we do not do
so, we will be liable for your losses or damages.

12. Notices
   We reserve the right to change the terms of our EFT services. We
will mail or make accessible a notice to you at least twenty-one (21)
days before the effective date of any change, as required by law.
Use of any EFT service is subject to existing regulations governing
the account with us and any future changes to those regulations.

13. Billing Errors
   In case of errors or questions about EFTs, telephone us at 201-
599-5500 or toll-free at 888-554-2328 and send us a written notice.
We must hear from you no later than sixty (60) days after we sent
the first statement on which the problem appears. In your notice:
      • Tell us your name and account number.
• Describe the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
• Tell us the dollar amount of the suspected error.

If you tell us verbally, we may require that you send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you and will correct any error promptly. For errors related to transactions occurring within thirty (30) days after the first deposit to the account (new accounts), we will tell you the results of our investigation within twenty (20) business days. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question (ninety (90) days for POS (point of sale) transaction errors, new account transaction errors, or errors involving transactions initiated outside the United States). If we decide to do this, we will recredit the account within ten (10) business days (five (5) business days for Visa Debit Card transactions) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not recredit the account.

If we decide after our investigation that an error did not occur, we will deliver or mail to you an explanation of our findings within three (3) business days after the conclusion of our investigation. If you request, we will provide you copies of documents (to the extent possible without violating other members’ rights to privacy) used in our conclusion that the error did not occur.

14. ATM Safety Notice
The following information is a list of safety precautions regarding the use of Automated Teller Machine (ATM) and night deposit facilities.
• Be aware of your surroundings, particularly at night.
• Consider having someone accompany you when the ATM or night deposit facility is used after dark.
• If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction.
• Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is complete, place your money in your purse or wallet. Count the cash later in the safety of your car or home.
• If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your ATM card or deposit envelope, and leave.
• If you are followed after making a transaction, go to the nearest public area where people are located.
• Do not write your Personal Identification Number or code on your ATM card.
• Report all crimes to law enforcement officials immediately.
